Hi,

I really need to address this as soon as possible. Can you give me a ball park figure of how far he traveled to and from this event?

Hi there,

On September 28, 2017, the Administrator attended the American Opportunity Alliance meeting in New York. He was already there on other official business, but this event was political in nature. Therefore, I need to bill AOA for the local travel. Do you know the mileage from the hotel to the event and back to the hotel?

Thanks,

Justina

Negative. From there was the airport departure to LGA. I was the advance agent waiting at the airport; they were being led by NYPD through the most expeditious route at the time.
